## PROPERTY OVERVIEW

**1 Bedroom   1 Bathroom   1 Reception**

A delightful one bedroom, third floor apartment within the ever popular Grosvenor Waterside development.

The property is well proportioned with ample storage throughout and high quality fixtures and fittings.

There is solid wood flooring, a sleek integrated kitchen with 'island' dining area, smart bathroom, a very good size bedroom with built in wardrobes and a spacious reception room - both of these rooms benefit from floor to ceiling windows and Juliet balconies. There is a residents gym and spa and also a restaurant and cafe on site, plus a recently opened Sainsbury's supermarket. The location is superb, near to both Sloane Square, The Kings Road and Victoria as well as the Thames and open space of Battersea Park.
